Does that mean that people will switch their vote away from Democrat Hillary Clinton? "I've not seen that, but I've not spent a lot of time with a lot of people that are going to vote," Lee said. Instead, Lee said she has been seeing a lot of undecided voters coming to her, asking for reassurance that there will be fairness and open discussion. "There's definitely a lot of undecided voters coming out. If we do have the conversation going in the right direction, I think we will be alright," Lee said. "Once this ball starts rolling, I think there will be a lot more momentum." 1. Round 2 of the TV Primary was just off the air, and is now concluding. The Trump-Clinton race won't start this Sunday on CNN, but Clinton's super-PAC will be on Hannity. Fox News will air its debate between Trump and Bush, and my colleagues at the Wall Street Journal will lead coverage of the GOP debate between Bush, Carson and Cruz. Here's a reminder of how the Republican primaries have played out so far:Aminoglycoside binding sites in renal inner medulla. Microscopic localization by ligand binding and autoradiography. Renal medulla is reported to contain binding sites specific for aminoglycoside antibiotics. These sites were previously localized to the ciliated cells and macula densa of the juxtaglomerular apparatus. To confirm this distribution, binding of a potent anionic am
